Professional Summary

Cybersecurity graduate with hands-on experience supporting Windows and Linux systems, networking, and security through academic projects and a cybersecurity internship. Experienced in documenting technical solutions, troubleshooting system issues, and strengthening organizational security processes. Passionate about practical infrastructure, systems administration, and delivering reliable technical support while pursuing an entry-level IT support or cybersecurity role.

Technical Skills

- **Operating Systems**: Windows, Linux (Debian-based).
- **IT Support**: Hardware/software troubleshooting, system configuration, software installation, technical documentation.
- **Networking**: TCP/IP, DNS, LAN/WAN, wireless networking, Cisco IOS/Packet Tracer.
- **Security**: Access control, RBAC, least privilege, endpoint security, email security (SPF/DKIM/DMARC).
- **Scripting & Tools**: Bash, Git, GitHub, Microsoft Office, Google Workspace.

Professional Experience

Cybersecurity Technician Intern
Twigs Naturals (Remote) | Jan 2026 – May 2026

- Developed an Access Control Matrix documenting 30 applications across multiple organizational roles and 5 access levels, applying RBAC and least-privilege principles.
- Investigated WordPress spam activity spanning 17 days and 2–10 fraudulent registrations per day, mitigated the vulnerability, and removed 97 spam users.
- Designed an Email Security Enhancement Plan implementing SPF, DKIM, and DMARC to reduce phishing and spoofing risks
- Collected and organized 21 fully signed policies and SOPs to support compliance tracking and governance processes within a GRC platform.
- Collaborated across departments to improve security posture through documentation, risk analysis, and system evaluation.

Education

Old Dominion University, Norfolk, VA
B.S. in Cybersecurity | Aug 2023 – May 2026
GPA: 3.97

Virginia Western Community College, Roanoke, VA
A.A.S. in Information Systems Technology (Cyber Security & Network Administration) | Aug 2019 – May 2023
GPA: 3.871 | Summa Cum Laude

Certifications

CompTIA A+ | Issued Dec 2022 | Renewed 2025 | Expires Dec 2028

Awards & Achievements

Eagle Scout, Boy Scouts of America | Mar 2018

Additional Experience

Order Fulfillment Assistant
Star City Games, Roanoke, VA | Aug 2021 – Present

- Process and verify customer orders with high accuracy in a fast-paced warehouse environment.
- Organize and manage inventory through structured categorization and tracking.
